## About TEAM EXPANSION

Team Expansion exists to transform communities among the unreached by planting Biblical churches. We currently have more than 350 workers serving in more than 40 fields.

## About CONNECTIONS

The Connections Ministry helps link churches and short-term volunteers with Team Expansion field workers in order to advance the Great Commission among unreached people groups around the world. Participants primarily serve the field team, pray for the area, and advance the work of the existing ministry.

### Purpose:

1. Build stronger bonds between field teams and US partners (churches, college groups, etc)
2. Provide additional workers for special field events that our teams cannot do on their own
3. Provide opportunities for US volunteers to use their gifting to serve the Great Commission

Our trips may include cultural experiences, prayer walks, work teams, evangelism, teaching, leadership training, medical services, marriage enrichment, sports camps and more. CONTACT US FOR MORE INFORMATION! [connections@teamexpansion.org](mailto:connections@teamexpansion.org)
