## Help Team Expansion by using this Kroger Gift Card

1. If you are interested in advancing the ministry of Emerald Hills by using a Kroger gift card, contact Julie Cheatum at [jcheatum@teamexpansion.org](mailto:jcheatum@teamexpansion.org).
2. You will receive a \$5.00 Gift Card for a purchase at KROGER.
3. When you spend it, Kroger will give 4% (20 cents) to Team Expansion.
4. It is our desire that you would use this gift card for purchases in the future. The more you use your card, the more is given to Team Expansion.
5. Just go to Customer Services before you shop for your groceries, prescriptions or gasoline and add value to the card. If you estimate that you will spend \$100 on groceries, load you card before you buy. Remember that Kroger will give Team Expansion \$4 for every \$100 you load on the card.
6. For added convenience you may add up to \$500 on your card. Incidentally, there is a five minutes wait time between when you load your card and when you can use it to check out so add to your card's value before you shop.
7. If you forget to load your card before you shop, you may add \$100 at the check-out lane with no waiting.
8. Continue to use your card by reloading it each week or month and Team Expansion will be blessed with your extra effort of using the card instead of other payment methods.

Thank you!
