“

But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them?

Romans 10:14

In 1980, **60%** of the world's population lived in frontier people groups without believers or churches. Today, only **25%** remain!

Born out of extraordinary prayer, we partner with the global church to mobilize, train, and coach qualified workers in the implementation of the fruitful practices of disciple-making movements among the unreached.

40% of all previously-unreached groups now have movements to Christ among them

Half of all non-believers live among believers in “**REACHED**” people groups. The other half of all non-believers live in **Unreached People Groups** (UPGs: <2% evangelicals).

- 40% of all Unreached People Groups now have movements to Christ among them!
- This is tremendous progress, but we dare not stop now
- Previous target: 7,000 UPGs. Today: 300 Frontier Groups

Understanding Frontier People Groups

Definition of a Frontier People Group:

If there is no known movement to Christ and less than 0.1% Christian of any kind, then it is called a Frontier People Group. Today, there are 300 of these groups.

25% of the world's population lives among Frontier People Groups.

This represents amazing progress from prior decades. Just a handful of years ago, we were reporting that 40% of the world was unreached!

We believe that reaching these last 2 billion people should be one of the highest priorities of the church today. Team Expansion has a clear strategy that is working. God is helping bring amazing fruit. Would you join us?

The Strategy

If we want to reach every person, tribe, and tongue with the Gospel, we need to send workers who will be trained, supported, and cared for by an experienced team. We need to mobilize additional workers. We need to cover these workers and the nations in prayer.

Will you partner with us to mobilize and train more qualified workers, support over 400 active workers, and engage the Church in the Great Commission? The need is too urgent to send workers who don't have the training and support they need to thrive.

Every day, more than 60,000 people die without ever hearing the Gospel. Partner with us today and send qualified workers who are dedicated to Reaching the Unreached.

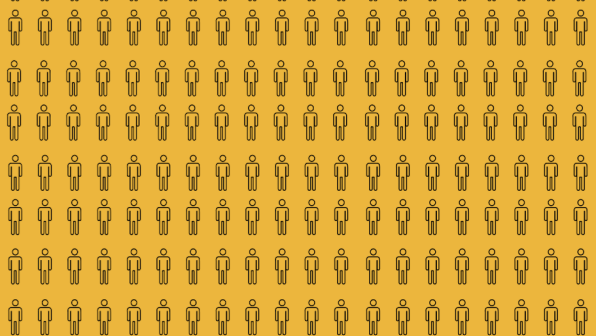

Become an Impact Partner

The Need

Team Expansion is growing! Over the last 5 years, we have seen over 8,000 new simple churches with 25,020 baptisms! Over 86,000 souls are now attending a fellowship launched by a Team Expansion worker (or a new believer we're training). With this growth comes added cost for everything Team Expansion does: the recruiting, training, and sending of missionaries, travel and field visits, and many other outreaches.

We need a team of monthly Impact Partners who can help us catalyze more movements! Your financial gift will have an eternal impact. For 2023, we need \$40,000 in monthly donations. This might look like 20 churches giving \$1,000/month and 200 individuals giving \$100/month. So far, \$13,000 has been filled.

Could you or your church fill one or more of these spaces?

Why Team Expansion?

Team Expansion has always focused on reaching Unreached People Groups. We've launched thousands of full-time missionaries and summer missions interns and hosted tens-of-thousands of hours of prayer and training. At Emerald Hills, our home office and training center, we mobilize new prayer support and new workers. We also train and provide care for new and existing workers. A partnership with our general fund supports the work of our training center and support staff, equipping our missionaries to be effective multipliers and supporting them through the highs and lows of serving.
